PHOTOGRAPHIC INTELLIGENCE BRIEF

SUBJECT : Chi-nan (Tsinan) Urban Area NO : B-1001-59
LOCATION : Shantung Province, China DATE: 20 May 1959
PHOTO DATA: Mission [REDACTED] 25X1D
MAP DATA : ATMP 0381-9993-100

Chi-nan (36°40'N/117°00'E) is an important transportation center located 230 miles south of Peiping, on the Tientsin/Pukow railroad. At Chi-nan the Shantung railroad, which serves the port of Ching-tao 190 miles to the east, joins the Tientsin-Pukow railroad. The population of Chi-nan was reported by Chinese Communist sources to be approximately 700,000 in 1958.

25X1D

[REDACTED] aerial photography of Chi-nan has been studied and several changes in the railroad and industrial facilities were noted since [REDACTED] age. It is reported that the industrialization of Chi-nan has been recently increased and among the installations located in the city are the following:
